

(b) In addition, for any interim period between the latest audited balance sheet and the date of the most recent interim balance sheet being filed, and for the corresponding period of the preceding fiscal year, statements of income and cash flows shall be provided. Such interim financial statements may be unaudited and need not be presented in greater detail than is required by § 210.10-01.

(c) For filings by registered management investment companies, the requirements of § 210.3-18 shall apply in lieu of the requirements of this section.

(d) Any foreign private issuer, other than a registered management investment company or an employee plan, may file the financial statements required by Item 8.A of Form 20-F (§ 249.220 of this chapter) in lieu of the financial statements specified in this rule.

§ 210.3-03 Instructions to income statement requirements.

(a) The statements required shall be prepared in compliance with the applicable requirements of this regulation.

(b) If the registrant is engaged primarily (1) in the generation, transmission or distribution of electricity, the manufacture, mixing, transmission or distribution of gas, the supplying or distribution of water, or the furnishing of telephone or telegraph service; or (2) in holding securities of companies engaged in such businesses, it may at its option include statements of income and cash flows (which may be unaudited) for the twelve-month period ending on the date of the most recent balance sheet being filed, in lieu of the statements of income and cash flows for the interim periods specified.

(c) If a period or periods reported on include operations of a business prior to the date of acquisition, or for other reasons differ from reports previously issued for any period, the statements shall be reconciled as to sales or revenues and net income in the statement or in a note thereto with the amounts previously reported: *Provided, however,*

That such reconciliations need not be made (1) if they have been made in filings with the Commission in prior years or (2) the financial statements which are being retroactively adjusted have not previously been filed with the Commission or otherwise made public.

(d) Any unaudited interim financial statements furnished shall reflect all adjustments which are, in the opinion of management, necessary to a fair statement of the results for the interim periods presented. A statement to that effect shall be included. Such adjustments shall include, for example, appropriate estimated provisions for bonus and profit sharing arrangements normally determined or settled at year-end. If all such adjustments are of a normal recurring nature, a statement to that effect shall be made; otherwise, there shall be furnished information describing in appropriate detail the nature and amount of any adjustments other than normal recurring adjustments entering into the determination of the results shown.

(e) Disclosures regarding segments required by generally accepted accounting principles shall be provided for each year for which an audited statement of income is provided. To the extent that the segment information presented pursuant to this instruction complies with the provisions of Item 101 of Regulation S-K, the disclosures may be combined by cross referencing to or from the financial statements.

§ 210.3-04 Changes in other stockholders' equity.

An analysis of the changes in each caption of other stockholders' equity presented in the balance sheets shall be given in a note or separate statement. This analysis shall be presented in the form of a reconciliation of the beginning balance to the ending balance for each period for which an income statement is required to be filed with all significant reconciling items described by appropriate captions. State separately the adjustments to the balance
